

**Lighthouse School®  
100 Cluster Newsletter  
March 2010**

*Notes from the Homeroom:*

The 100 Cluster was very busy in March! The students spent this month working hard on lessons and participating in lots of fun activities.

All of the students spent their hard-earned tokens at the Scholastic Book Fair. They also celebrated “Read Across America” with a door-decorating contest, a skit in the library, games and activities in the homerooms, and they even had cake for Dr. Seuss’ birthday.

The Junior Varsity basketball team participated in a tournament at UMASS Lowell. Several students won awards for sportsmanship, three-pointers and foul shooting. There were also games that took place at Lighthouse School where other students were able to use their tokens to attend.

This month’s Cluster activity was an ice cream social followed by a beautiful afternoon on the playground and the sports court.

All in all, March was a very exciting month and we are looking forward to more opportunities to learn and grow in April.
