

September 2009
Lighthouse School®
300 Cluster Newsletter

Notes from the Homeroom:

The 300 Cluster was happy to see all the students back after the summer. As always, the start of the school year brought with it some changes. The cluster spent the first few days of school getting used to new schedules, routines, and teachers. As the month comes to an end, everyone seems to have settled down into their daily routines.

September began with football and soccer try-outs. Congratulations to all who made the teams! We're proud of you, and look forward to watching all your games!

We also held our first Pep Rally of the year to help congratulate and cheer on the Football and Soccer teams. The homerooms made posters supporting each of the teams. We also had the Pep Squad, Football, and Soccer teams all performing during the pep rally. There certainly was a lot of school pride shown that day!

This month's cluster activity was a cluster breakfast. We enjoyed bagels, muffins, fresh fruit, juice, and milk. A good time was had by all!

It's been a great month. We look forward to the month of October and what it will bring for the 300 Cluster.
